## Sore muscle relief

The original Hypervolt with some serious upgrades - lighter, more powerful, a newly designed ergonomic handle, and now in black. Give your muscles the daily relief they've been asking for with the Hypervolt 2's percussion massage. Warm up quickly, stay loose, and accelerate recovery at home and beyond - so you're ready to tackle whatever comes next.

### Better than ever

The Hypervolt 2 has an improved ergonomic design, reduced weight, and three speeds of powerful percussion to help you get back to doing what you do, even faster.

## Explore Hypervolt 2

### Whisper quiet

Don't pause your favorite song or your favorite show. Our patented QuietShock technology will have you saying "uhh?" not "uhh!"

### Recovery on demand

Integrated with Hypervolt™, it's easy to find the warm-up and recovery plans that will help you feel and move better with step-by-step expert guidance through the Bluetooth® connected Hypervolt App.

## 3 reasons you need a Hypervolt massage gun

### Portable and always on-call

Think of Hypervolt like a massage therapist in a massage bag, all your travel and beyond.

### Say goodbye to muscle fatigue

Get rid of muscle fatigue and tension up. It's amazing what you can do with your full range of motion.

### Optimize your workouts

Get ready to train at your best. And recover right. The Hypervolt revolutionizes your warm-ups and recovery time like a boss and you can always perform at your best.

## Behind the design: Hypervolt 2 and Hypervolt 2 Pro

Take a look behind the design of the Hypervolt 2 and Hypervolt 2 Pro. Hear from product designers and engineers on how the device was made and the materials that make this unlike any other massage gun on the market.
